Nankai University

Certificate of Scholarship Award

Yuchen Zhou is a student of the 2021 cohort, majoring in Information Security, with student ID 2111408. In the academic year 2023-2024, this student achieved outstanding academic performance and ranking among the top students. Furthermore, the student actively participated in academic activities like research and competitions, and community service and volunteer work. Therefore, this student was officially awarded the Nankai University Gongneng Scholarship (Merit Scholarship), 2023-2024. This scholarship is awarded to students who exemplify Nankai University's motto, "Dedication to Public Interests, Acquisition of All-round Capability, and Aspiration for Progress with Each Day." It serves as recognition of the student's comprehensive excellence in that academic year. This is to certify. This certification is provided solely for Yuchen Zhou's application for graduate studies abroad, and must not be used for commercial purposes or posted online.
